

# V400m and P400

## Quick Start Guide

Follow these steps to set up and connect your card reader.

V400m  
card reader

P400  
card reader

### 1. Unpack your card reader and accessories.

**Important: Do not plug in or power up your card reader until after you've activated it online.**

### 2. Visit [chase.com/MyPaymentsCenter](https://chase.com/MyPaymentsCenter) to activate and initialize your card reader.

Use the username and password you created when you signed up. From the main dashboard screen, select the *Activate your device* link.

### 3. Once you've activated and initialized your card reader, pair it with your point-of-sale software.

Pairing instructions, user guides and other important information is available to download or print anytime. Visit [chase.com/MyPaymentsCenter](https://chase.com/MyPaymentsCenter), sign in and you're ready to get started.
